

Torco Accelerator

The Choice of Champions
Throughout the World

**Are you skeptical about
octane boosters?**

You have every reason to be
.....most don't work!

What makes Torco Accelerator different?

As a manufacturer of top rated race fuels, we understand what it takes to optimize the performance of your vehicle's engine. Torco Accelerator is race fuel concentrate! That's why it works so well .

Torco Unleaded Accelerator

Torco Accelerator will transform the make up of premium pump gas to closely resemble race fuel.

Torco Accelerator

- Creates greater efficiency... more horsepower!
- Can raise the Octane of your fuel as high as 105.
- You can customize your blend to fit your needs.
- Won't harm sensitive O₂ sensors or catalytic converters.
- Available in convenient 32 oz. and 8 oz. bottles.
- Multiple high performance applications - street or race car, motorcycle, watercraft, snowmobile, ATV or UTV, whether carbureted, injected, turbocharged, or supercharged.

**Torco
Accelerator
will add new
life to your
vehicle.**

**The Choice of
Champions
throughout the
world.**

Torco Diesel Accelerator

Increasing a Diesel Fuel's Cetane Number with Torco Diesel Accelerator will lead to immediate consumer benefits.

Torco Diesel Accelerator

- Creates greater efficiency.... equals more horsepower
- Eliminates misfiring
- Lowers emissions through more efficient combustion
- Shortens ignition delay
- Eases cold starts
- Enhances lubricity to extend fuel system life
- Improves fuel thermal and storage stability
- Lessens combustion knock & noise
- Applications - cars, trucks, RVs, snowmobiles
